

Technical drawing of a shoe pattern. The drawing shows two main parts: a side profile of the shoe on the left and a top-down view of the shoe on the right. The side profile is bounded by a curved line on the left and a vertical line on the right. The top-down view is bounded by a curved line on the top and a vertical line on the right. The labels are placed as follows: 'donna' is at the top right; 'N°39 circa' is in the center; 'diritto filo' appears twice, once on the left side profile and once on the right top-down view; 'suola' is on the left side profile; 'www.annaborrelli.it' is in the center; 'tomaia' is on the right top-down view; and another 'diritto filo' is on the right top-down view.
